## TRITON MANUFACTURING ROHS/REACH DIRECTIVE

JANUARY 27, 2016

Triton Manufacturing Company is committed to providing our customers with safe, and environmentally friendly products, that are compliant with the European Union RoHS Directive 2011/65/EU (Restriction of Hazardous Substances) and REACH Regulations (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals.

### REACH-

Triton certifies that to its knowledge all products used at our company are compliant with REACH to the latest Commission Implementing Regulation dated The 5<sup>th</sup> of January 2016 and that no Halogen Content is evident in any product we supply, or used in the production of any product we manufacture. We are in compliance with REACH Regulations (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals concerning Annex XVII restricted list.

### RoHS-

The specific applications of mercury, cadmium, hexavalent chromium, PBB and PBDE set out in Schedule 2 of the Regulations does not apply to any application, processes, or products in Triton Manufacturing Company.

Unless otherwise specified by customer, Triton Manufacturing is compliant with the use of tin/lead solder within the threshold of less than 1% homogenous state.
